

How do I start purchasing Google eBooks from Watermark?

Begin by setting up an account at Watermark Books.

1. Go to <https://www.watermarkbooks.com/user/login>.
2. Click on **Create new account**.
3. Follow the steps on the screen.
4. Be sure to write down or remember the email and password you used for your Watermark account.

Next, create a Google account.

If you have a Gmail account, you already have a Google account that can be accessed with your Gmail and password to set up a new account.

To set up a new Google account:

1. Go to <https://www.google.com/accounts/NewAccount>
2. Follow the steps on the screen. You can use the same email that you used for your Watermark account.
3. Be sure to write down or remember the email and password used for your Google account.

Install software on your eReader

Nook

You'll need to install Adobe Digital Editions software on your computer, if you have not done so already. This will be the computer used to transfer your Google eBooks to your eReader.
